

National Dong Hwa University Department Transfer Review Standards/Criteria for Students

Revised and approved in the Department Meeting on March 5, 2008

Amended and approved in the Academic Affairs Meeting on May 22, 2008.

College	College of Science and Engineering
Department	Department of Physics
Review Criteria	<p>1. Academic performance with a GPA of 2.5 or above. 2. An average grade of B or above in General Physics.</p> <p>Meeting either of the above criteria is sufficient.</p>
Note	

Explanation: The review criteria are determined by each department, approved by the Academic Affairs Meeting, and implemented after being submitted to the university president for approval. The same procedure applies during revisions.
